CONGRATULATIONS!!!!

We would like to cordially invite you to apply for participation in The 2010 Pre-Teen Alabama Scholarship and Recognition Program to be held **September 4 - September 6** in Birmingham, AL. The beautiful Sheraton Birmingham in Birmingham will serve as official headquarters for the event. You have been recommended as a participant in the 2010 Pre-Teen Alabama Program based on your school academic record, awards and honors and/or your participation in outside activities.

Pre-Teen Alabama is not a beauty pageant, it is, however, a by-invitation-only scholarship and recognition event. Only young ladies 7-12 years of age who have a high academic ranking or who are recognized for their outstanding personal achievements, volunteer services, school involvement, leadership abilities or creative talents are invited to participate.

**THE PRE-TEEN ALABAMA PROGRAM WILL AWARD OVER \$5,000.00 IN EDUCATIONAL BONDS, PRIZES AND AWARDS.
EACH STATE FINALIST WILL RECEIVE SPECIFIC RECOGNITION AWARDS.**

Pre-Teen Alabama (Sr. Division) will be selected from state finalists 10-12 years of age. **Pre-Teen Alabama** (Jr. Division) will be selected from state finalists 7-9 years of age. There will be four runners-up in each Division.

THE PRE-TEEN AMERICA PROGRAM, now in its 20th year of wholesome family activity, believes that everyone who participates is a winner. Each participant will have the experience of making friends with other outstanding young ladies from throughout the state. Besides recognizing each participant's achievements, our goal is to foster fun, friendship, self-improvement and self-confidence. Each state finalist will also receive a participation award.

If you elect to participate, an enrollment fee is required. Businesses and community organizations, as well as, family, friends and church affiliates all make excellent possibilities as sponsors. The enrollment fee is \$325.00 and covers auditorium and production costs, staff, scholarships, prizes and awards, 2 meals for the state finalists, as well as, a catered autograph party. State Finalists and their families will be responsible for securing and paying for their own hotel room if one is needed. State Finalists will stay with their parents in their hotel room. Special discounted rates will be offered for the event. Sponsors will be advertised in the state souvenir program book as part of the roster of State Finalists. Information pertaining to securing a sponsor(s) will be included in your first information packet. Sponsorships are tax deductible as an advertising expense by any business that sponsors.

After reading the enclosed information CAREFULLY, please fill out the information below and return within 7 days or as soon thereafter as possible. You will receive your first information packet within 10 days. The number of state finalists accepted must be limited due to size limitations of the hotel auditorium, so please mail immediately so that you may have an opportunity to be a part of this memorable and exciting experience!

If you have any questions at this point, do refer them to Pre-Teen Headquarters or refer to our website at www.preteenamerica.com. Our office hours are 9 A.M.- 2 P.M. Monday-Thursday (C.S.T.). We will be more than happy to answer your questions and to assist you in any way possible.

Best wishes and good luck!

"For several years now, my daughter and I have looked forward to our weekend at Pre-Teen Alabama, not only because of the fun we have together, but also because we get to see what young girls are doing in their schools and for their communities. I have found that the Pre-Teen Alabama Program recognizes the values that I try to instill in my daughter, like hard work, a strong sense of family and God, and kindness to others. Thanks Pre-Teen Alabama for this extraordinary opportunity."

Denise Herrod — Prattville, AL

"We have been involved with the Pre-Teen Alabama Program since 1995, the first year it was introduced in Alabama. Through the program, both my daughters have not only been challenged to set their goals high, but have made lifetime friendships with other pre-teen sisters! In a world with such negative things, it is great to have a program that inspires such accomplishments and contributions to make a positive impact on our nation."

Cindy Blackwood — Decatur, AL

"It is so exciting to find a program that rewards young people for being "good kids" and making "good grades." Carolyn and Summer treat each girl so special and they are always organized and professional. We have been proud to serve as representatives for such an outstanding program. Being part of the Pre-Teen experience has had a tremendous impact on our lives. Our family has made many fond memories and friendships to treasure for a lifetime."

Kay McKnight — Newton, AL

"For the last thirteen years Pre-Teen Alabama has been a part of the lives of everyone in my family. I have had three daughters participate in the program. Pre-Teen helped motivate each of them to be better students and to encourage them to continue to serve their communities. The Pre-Teen program has opened their eyes to see that hard work does pay off and that not only are there rewards in the winning but also in the experience gained. In its efforts to promote God, family, and our country, the Pre-Teen program has helped our children to become successful young women that they are today."

Jack Jennings — Albertville, AL

"Thank you for a wonderful year of support by your organization to benefit Shriners Hospitals for Children. Your philanthropy is very much appreciated and will make a positive difference in the lives of the children that come to us for help."

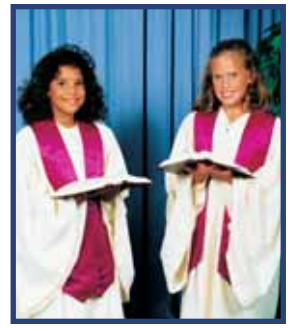

Edgar McGonigal — Shriners Hospitals for Children — Tampa, FL

** PARENTS PLEASE READ **

Parents, your daughter may have received this official application through her school. Please understand that students were not recommended by the school, in most instances, but through Honor Roll listings published in your local newspaper. In addition, your daughter may have received this Academic and Enrichment Program information because she was recommended by a past participant and/or she was recognized publicly for her achievements. Before calling to inquire as to how we acquired your daughter's name, please be aware that potential participants are recommended to our office on a daily basis nationwide and we do not routinely record the source of the recommendations received.

If selected to participate, your daughter will be guided by an excellent and experienced staff. This is not a beauty pageant, but rather a Academic and Enrichment Program that promotes family values, high moral and ethical standards, ecological awareness, patriotism and enhanced self esteem. As you read our materials we hope you will discover the positive influence that this program could have on your daughter. We welcome the entire family to come and experience this positive influence throughout the weekend. We hope that you will support your daughter's efforts to become a State Program finalist.
